SENIORS

CLASS HISTORY

September, 1959, marked the beginning of the final segment--we were sophomores in Wicomico Senior High School! Resignedly we accepted our demotion and enthusiastically faced the challenge of the next three years. Remembering their own first days as underclassmen, the sympathetic Seniors guided us through the ordeal of orientation. To assert our inherent rights as members of the school, we elected Student Council representatives and homeroom officers, joined clubs, and served on committees, and participated in athletics. The appointive office of Parliamentarian of the Student Council, inaugurated this year, was filled by Zoe Sarbanes. Selected to represent our class in the first Homecoming Court was Debby Stockman. Teresa Deale served as Winter Carnival attendant from the sophomore class. For the May Court we elected Lorraine Bailey, Kathy Collins, and Barbara Goldman.

Returning in September as Juniors, we acquired a secure status within the school. Jeff Rafter, Barbara Goldman, and Zoe Sarbanes assumed in the fall their offices as 2nd Vice-President and Secretary-Treasurer of our Student Council and President of the LSASC, respectively. Debby Stockman received the appointment as Parliamentarian. The results of the Junior Class officers' election declared Gil Atkinson as President, Zoe Sarbanes as Vice-President, Kathy Collins as Secretary, and Teresa Deale as Treasurer. After many weeks of diligent preparation, the class presented as a cooperative effort, the play "Lillion." Teresa Deale again represented us in the Winter Carnival Court. May Court attendants from the Junior Class were Lorraine Bailey, Kathy Collins, and Mary Ellen Cato. Seventeen juniors were honored by induction into the National Honor Society. Debby Stockman remained in Italy for five months as an AFS student. The receipt of our school rings identified us as students of Wi-Hi but, more important, provided tangible evidence that we had attained that long-awaited rank of respect.

Seniors!! Even the title was melodious to our proud ears! Instilled with a greater sense of responsibility, we elected our Senior Class officers: President, Gil Atkinson; Vice-President, Kathy Collins; Secretary, Barbara Goldman; Treasurer, Teresa Deale; Historian, Zoe Sarbanes. The editors of the three school publications--Zoe Sarbanes, TomTom: Beverly Colona, Wi-Hi News; and Jim Brown, Indian Chant--and their capable staffs began production immediately. The entire class welcomed with open hearts our two AFS exchange students, Gloria Petzold-Fisher from Chile and Tino Dominguez-Sierra from Spain. Elected as the leaders of our Student Council were President, Decker Faw and 1st Vice-President, Teresa Deale. Patty Whiting was appointed as Parliamentarian. The LSASC functioned smoothly with the aid of its 1st Vice-President, Debby Stockman and Wi-Hi's Permanent Delegate, Barbara Goldman. The duties of the MASC's 1st Vice-President were assumed by Zoe Sarbanes. Offered as the Senior Class Play was the delightful "The Importance of Being Earnest." Kathy Collins, attended by Barbara Goldman and Pam Cook, reigned as Homecoming Queen. During the Winter Carnival, Peggy Ann Sterling was crowned queen of that annual occasion. As winners of a current events test, Decker Faw, Edward Palmer, Carole Witt, and Jeremy Schwartz attended the Herald-Tribune Forum in New York City. Hopefully establishing a precedent, the Senior Class visited the famous sights of New York City.

Barbara Smith ruled over the May Court with Ellen Hayman, Jolene Simms, and Joyce Anderson in attendance. Now, much to our sorrow, the inevitable end was rapidly approaching. Prom, Junior-Senior Banquet, and Senior Awards, preserved forever in our memories, followed. Our three years of trials and tribulations, success and failure, culminated in Baccalaureate and Commencement. Our existence as a united body had ended; yet we will always return a sincere allegiance to our Alma Mater and to each other as members of the Class of 1962.

FOIBLES AND FOLLIES
1962

Time flies all too swiftly. "Memorable" events are soon forgotten as one day yields to another. Our daily routine remains as a schedule in our minds. May this calendar prompt your memory.

SEPTEMBER

5 The seven-thirty alarm tolls the beginning of the 35-hour week from 9-3:30 for the next 9 months--school begins!
6 "Another request for a schedule change!"
7 "Well, I didn't exactly lose the combination. You see, I never wrote it down because I was going to put this little wad of paper in the door. . . ."
8 The school store sold the last book cover at 8:47.
11 First day for a few laggers still on vacation.
12 All P.O.D. students memorized the Preamble to the Constitution just to forget it.
13 Regardless of the 110° heat in the shade, kulottes and skorts are absolutely forbidden.

6 "Practice makes perfect"--even Commencement!!
7 Seniors graduate. A simple statement charged with emotion.
8 Sophomores and Juniors swelter in the classrooms while the graduates, cooled by an ocean breeze, bask in the sunshine.
11 Teachers, resigned to their records, are still in school.
13 Another year ends!

Does this agree with your schedule? Probably not, because this is a composite of the experiences of all Wi-Hi students.

EXCHANGE STUDENTS

GLORIA

TINO

This year Wi-Hi students welcomed Gloria Petzold-Fischer and Celestino Dominguez-Sierra into their homes and their hearts. Gloria's American sister was Susan Rowell; Tino's brother, Bill Thornton. The AFS students here were unique in that they both came from Spanish-speaking countries: Gloria from Santiago, Chile, and Tino from Seville, Spain. They rapidly adopted the American way of life and became involved in many activities, both academic and social. Gloria was a most attractive addition to our Winter Carnival and May courts. Tino, appropriately elected by the Wi-Hi girls, reigned as Mr. Irresistible at the AFS campaign dance.

The efforts of the Soroptomist Club and the Wi-Hi students themselves were essential in promoting in 1962 this program of international friendship whose ultimate goals are world peace and understanding.

STUDENT COUNCIL

Originality and enthusiasm were the keynotes of the 1961-1962 Student Council year. The officers and homeroom representatives embarked upon many vital programs. Among the results: a boost to school spirit with the introduction of The Brooklyn Band; The Wi-Hi Indian; the painting of the school mascot on the gym floor; the establishment of a debating club to compete with other schools in the LSASC; the doubling of the proposed goal in the AFS campaign; the adoption of a Korean orphan; and finally, the salvage and sale to the student body of a 1938 Buick.

The year drew to an end, a year marked with setbacks, yet dominated by definite success and improvement.

LIBRARY CLUB

The Library Club, under the direction of Mrs. Branche Phillips, performed many services for the school during the past year. Included among these were a faculty tea, a program sponsored jointly with the Concert Choir of Civil War songs, and the operation of a bookstore providing a wide selection of paper backs. With the installation of a new system for scheduling library helpers and the revision of the club handbook, the library became a valuable source of information for the student body and faculty.

Speakers for the year included Mrs. Horsely from the County Library and Leicester, brother and biographer of renowned Ernest Hemingway. Service was extended also to the community in the donation of a set of books to a local hospital. The year ended with a trip, social as well as educational, to Baltimore for the entire group.

FUTURE TEACHERS OF AMERICA

To those who teach come great opportunities and responsibilities. It is with this knowledge that the Future Teachers ofAmerica Club was organized. Its primary purpose is to interest the finest young men and women in education as a life career. Our local organization is an integral part of the state and national education associations. Members of various clubs are able to meet and exchange ideas at the two state conventions in the spring and fall.

Programs featured speakers in such fields as dramatics, music, guidance, and college teaching.

As in previous years, the club sponsored the following projects: selling pom poms at football games, working in concession stands, and serving at school banquets.

At the crowning highlight of the year--an installation and awards ceremony--forty of the seventy FTA members received either pins or emblems awarded for service to the school. Evaluation of individual service to the school is by a point system.

The 1961-62 officers were: President, Trudy Taylor; Vice-President, Linda Bennett; Point Secretary, Judy Humphreys; Secretary Treasurer, Debbie White; Program Chairman, Patty Whiting.

Prospective program is reviewed.

FUTURE NURSES OF AMERICA

The Future Nurses of America Club welcomes all juniors and seniors who are interested in the field of nursing and wish to investigate its many opportunities. Monthly programs are planned by Mrs. Jean Newton, Director of Peninsula General Hospital, and Miss Hester Farlow, faculty advisor.

Activities this year included panel discussion by student nurses, film education, field trips to the nursing school, instruction and visitation sessions at the hospital, and the awards and installation ceremonies. Additional projects included serving banquets, operating concession stands, and caroling at Christmas.

The elected officers for the year 1961-62 were as follows: President, Ellen Hayman; Vice President, Lorraine Bailey; Secretary, Nancy Phoebus; Treasurer, Cindy Lucas; Chairman of Hours, Lynn Campbell; Publicity Chairman, Carolyn Culver.

FUTURE HOMEMAKERS OF AMERICA

The Wicomico Chapter of the Future Homemakers of America had as its officers this year: Elaine Powell, President; Myra Ann Lutes, Vice-President; Kay Parker, Secretary-Treasurer; JoAnn Phipps, Historian. The faculty advisor was Miss Edith Matthews.

To carry out the state project, "Careers in Home Economics," the club invited the Assistant Home Demonstration Agent of Wicomico County to speak. As our chapter project, the members made paper flowers for the patients at Pine Bluff State Hospital.

Our club meetings have been varied and interesting. A film on make-up began the year. At Christmas our speaker demonstrated many clever ways to arrange greens. For spring we planned the annual Mother-Daughter Picnic.

The club earned money to add a few luxuries to our Home Economics Department by serving banquets and taking charge of the concession stand at one of the basketball games. Everyone not only benefited from, but also enjoyed, the club projects.

WICOMICO SENIOR HIGH SCHOOL BAND

Many months of fatiguing, yet rewarding, rehearsals culminated in a delightful evening of music at the annual spring concert. Joining our band for this occasion was the Wellsboro, Pennsylvania High School Band, warmly welcomed by the people of Salisbury and all the students of Wi-Hi. Completing the exchange in early May, the Wi-Hi Band thoroughly enjoyed their visit with their capable Wellsboro hosts.

With dignity and pride, the Band provided musical entertainment for many people by performing at school and civic activities: assemblies, football games, PTA meetings, and parades.

Much of the band's success must be attributed to the conscientious efforts of the Band Council representatives. This body, in cooperation with Mr. Duyer, the band director, planned concerts, money-raising projects, social events, and all the other band activities.

CONCERT CHOIR

Under the direction of Mrs. Jean B. Wootten, the Concert Choir presented various programs throughout the school year. Marking the one hundredth anniversary of the Civil War, the Choir's first performance was devoted to the tunes of the North and the South. In February, the annual Winter Concert was presented, offering music from several periods and styles, including several selections by noted composers. Also presented was a dramatic performance of cuttings from the back alley opera "Archy and Mehitabel." Other activities of the Choir included the Thanksgiving, Christmas, and Easter assemblies, as well as programs for the P.T.A. and several local civic clubs.

In its first year the group presented for the student body Thanksgiving, Christmas, and Easter programs and participated in the spring concert.

SPANISH CLUB

The sponsor designates a story by a Spanish author.

Students in Wicomico Senior High School interested in the culture and history of the Spanish-speaking countries, organized this year under the supervision of Mr. Lee Rumunno, a Spanish Club. Although made up mostly of Spanish students, the club welcomes anyone exhibiting an appreciation of Spanish heritage.

Program offered at the after-school meetings, attended, of course, voluntarily, usually were natives of a Spanish-speaking country or travelers in one of these areas. Much was learned from the fascinating accounts of life in the various countries.

The officers--Zoe Sarbanes, President; Diana Howard, Vice-President; and Janice Beahm, Secretary-Treasurer--and the members deepened their understanding and appreciation of Spanish civilization through club activities.

DEBATING CLUB

Growing out of an effort on the part of the Lower Shore Association of Student Councils to promote interscholastic forensic contests on a local television station and the remnants of a discussion group which had been inspired by a teacher who is no longer a member of our faculty, Wi Hi's new debating club enjoyed a far more interesting year than its hectic beginnings promised. Organized to represent our school in a series of debates with teams from other institutions, our group soon realized that the original plan had been ignored by the others. Then, under the direction of co-chairmen John Daly and Decker Faw, the club studied debating techniques and presented several intramural debates. All interested students were welcomed as auditors and potential members. In recognition of the stimulating activity of the debaters, the organization, sponsored by Mr. Clifton Hope, was granted a charter by the school principal and the Student Council.

Debate topics are examined.

WI-HI NEWS

The staff of the Wi-Hi News meets two days each week during the sixth period to publish the paper. To accomplish this, several steps are followed: 1. Ideas for articles are formulated. 2. The lay-out of the paper is designed. 3. Typed stories are submitted to the proofreaders. 4. The stories and pictures are sent to the printer and engraver. 5. When the proofs are returned, copy is placed on a dummy form and sent to the printer. 6. The completed newspapers are then sold to the student body. The devotion and diligence of the staff largely contributes to the success of this fine organization.

The INDIAN CHANT, initiated in 1960 by Mrs. Dick's creative writing class, is Wi-Hi's literary magazine. It is an important service organization providing recognition for outstanding English students. It publishes material submitted by all the English teachers in the school. Selections range from scientific essays to philosophy in poetry.

Student committees select the material, do all art work, typing, and handle sales and publicity. This year about seventy junior and senior students have found serving on the INDIAN CHANT staff a very rewarding experience.

CAREER DAY

The seventh annual Wicomico County Career Conference, attended by students from all county schools, was held on October 12, 1961. The conference began with a general assembly after which the delegates adjourned to classrooms where they took part in discussions on various professional vocations ranging from accounting to veterinary medicine.

The purpose of Career Day is to present two occupational areas of each student's interest and to afford the opportunity for students to plan their educational program to prepare for future vocations. The discussions give specific information concerning job descriptions and requirements, employment opportunities, and the rewards of particular professions.

All sophomores had been asked to indicate in advance their choices for the two discussion groups, one in the morning and the other in the afternoon. Lunch was provided for the delegates at noon.

The success of Career Day was due in large part to the efforts of Miss Farlow and the guidance office.

SENIOR CLASS PLAY

On November 2-3, the Senior Class opened the 1961-62 drama season with Oscar Wilde's "The Importance of Being Earnest." The play, directed by Miss Jacqueline McMurrian, was presented by a cast of nine.

The play revealed the hilarious story of two men, Algernon and Jack, who fell in love with two young ladies, Gwendolyn and Cecily, respectively. The two men both falsely claimed to be named Earnest. When the two girls met and learned that each was engaged to "Earnest," they naturally assumed that they had been tricked by a single clever villain. In the end, of course, everyone lived happily ever after; but not before the audience had been provided with a delightful evening of entertainment.

The entire cast turned in a fine performance, with superb acting by the major characters: Stuart White, John Glover, June Ellen Kitzmiller, and Robin Wootten.

The cast was as follows: Algernon, Stuart White; Lane, Bill Thornton; Lady Bracknell, Virginia Gray; Gwendolyn, June Ellen Kitzmiller; Jack, John Glover; Miss Prism, Kathy Collins; Merriman, Dwight Wagner; Dr. Chausable, Decker Faw; Cecily, Robin Wootten.

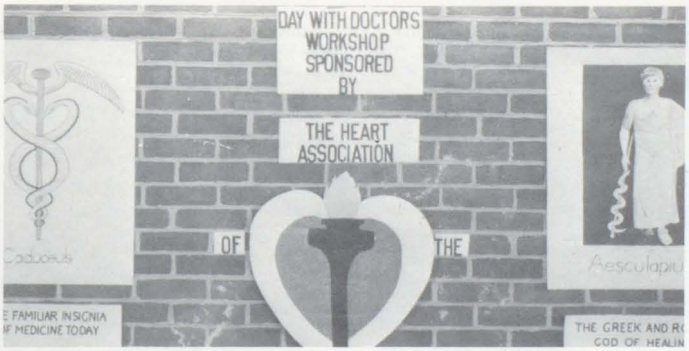
The Day With Doctors Workshop, sponsored by the Heart Association of the Lower Eastern Shore, was held the week-end of March 23 and 24. Initiated to promote an interest in the medical profession, this program, capably planned by Miss Josephine Warren and the Student Advisory Committee, gave the opportunity to approximately one hundred delegates to hear the guest speaker, Dr. Benjamin F. Rush, Jr., from the Johns Hopkins University School of Medicine. Local physicians also took part in the sessions.



Joe Gore, Student Chairman, greets the guest of honor, Dr. Rush.

Guests and delegates discuss the day's events at the banquet.

AUTOMOTIVE VOCATIONAL PROGRAM

Equipment is described during an introductory tour of the shop.

The function of drive lines and power trains is outlined to a driver education class.

A student instructor explains the mechanism of an automobile engine.

The automotive vocational program at Wicomico Senior High School under the instruction of Mr. James Sullivan is directed toward the training of students who wish to pursue specifically the automotive service trade upon graduation. The curriculum, dictated by the needs of the community, is centered around the fundamental principles of operation, maintainance, and repair of the basic systems of the automobile.

The lecture-demonstration sessions recently completed supplemented the driver training program here by incorporating as part of the regular course the functions and operation of the component systems of the automobile.

In addition to this project the automotive students help to supplement instruction in the senior science classes. The students also contribute their efforts to the yearly 4-H automotive project conducted by the extension service of the University of Maryland.

HERALD-TRIBUNE FORUM

Youth from more than thirty nations, representing many different cultures, political systems, and view-points, composed the Herald-Tribune Forum. Consequently, the two Forum topics -- the role of education and the role of the underdeveloped country -- produced many points of disagreement. Nevertheless, the opportunity for students to freely discuss their ideas clearly contributed to the promotion of world-wide harmony, the primary objective of the Forum.

JUNIOR CLASS PLAY

On March 8-9, the Class of 1963 presented Federico Garcia Lorca's "Blood Wedding." They play, set in Spain in the early 1900's, told the story of the bitter enmity between two old Spanish families and the plight of a young girl who married the only son of one family, but loved the only son of the other. As the audience was held spellbound, the story moved to its tragic and dramatic conclusion when both husband and lover were killed, leaving an embittered mother and a heartbroken bride to grieve together.

"Blood Wedding," with its unusual and intriguing story excellently performed by the actors and expertly directed by Miss Jacqueline McMurrian, will long be remembered.

PROM THEME: "MOON RIVER"

An unforgettable date, May 18, 1962, was the occasion of our Senior Prom. Arriving couples strolled through the main gate into a Southern plantation. Brilliant flowers and authentic green bushes simulated natural surroundings. At the opposite end of the gleaming dance floor was the plantation mansion, a brick edifice with elegant columns entwined with ivy. Everyone, surrounded by this atmosphere of Southern grace and charm, enjoyed himself immensely, especially during the grand march, led by senior class leaders, and the rendition of our class song.

Pleasure, however, did not end at 12:00. A breakfast dance, planned and presented by our parents followed in the Civic Center. Delightful entertainment during the evening at both affairs was appreciated by all.

This culmination of the senior social season will remain forever in our memories as a wonderful Senior Prom.

Lovely "Moon River" is often played by Lee Paige's Orchestra.

At the conclusion of the evening, the two classes joined in the singing of the "Alma Mater."

He told the 336 seniors and their parents and friends that all the attributes necessary to successful modern life must be tempered with Christian virtue.

The Rev. Waldo L. Dise, pastor of St. Andrew's Methodist Charge, gave the Invocation. The Rev. Guy H. Butler, vicar of St. Alban's Chapel, delivered the scripture lesson and the Benediction. The Concert Choir, under the direction of Mrs. Orlando V. Wootten, sang the hymn "Everlasting Life."

Following the sermon, the graduates recessed to the music of "Pomp and Circumstance."

336 IN THE CLASS OF 1962

President of the Senior Class, Gil Atkinson receives his diploma from William S. Moore, President of the Wicomico County Board of Education.

Each year school enrollment increases, consequently augmenting the size of each graduating class. The large number of seniors has completely eliminated any possiblity of familiarity with everyone. Although acquaintances are many, friendships are relatively few. Yet those formed are sincere and enduring. Through these relationships the class is connected. Still the ultimate bond is our allegiance to Wicomico Senior High School. Slowly, we have evolved as a class, accumulating knowledge and experience as we advanced. Progress finally brought us to graduation when each departs for his chosen career. Yet, regardless of the influence of future education and experience, we always will undeniably remain as products of Wi-Hi, devoted to the traditions of our Alma Mater.

After a slow start caused by injuries and bad breaks, the Wi-Hi Indians finished the 1961 football season with a 5-4-1 record.

After losing to Forest Park and Seaford by a combined total of 8 points, the Indians were beaten by Dover 25-13. Wi-Hi snapped this mild losing streak by crushing Milford 34-6. Next came a fiercely contested battle with Laurel that ended in a 7-7 tie. Picking up momentum, the Indians rolled over North Caroline 33-0 and beat Annapolis 20-14. Next came highly-favored Bel Air in the season's toughest contest. When the dust cleared, Wi-Hi had walked away with a 19-9 victory. Relaxing after this victory, the Indians were surprised by Aberdeen 28-6. Wi-Hi concluded its season by upsetting long-time rival Cambridge by a 14-7 score.

HOCKEY

This year the beginning losing streak of the hockey team was broken with the defeat of Pittsville in two games at a 1-0, 3-0 victory.

Eight games were played this year; the team displaying well-planned co-operation and tactics in all of them.

Special recognition is deserved by Dian Dudderar who gave an excellent performance as a half-back and scored one of the winning points. Barbara Taylor also scored victory points in goals. June Faidley, a junior, displayed outstanding ability in her first year as goalie, while our veterans Marsha Hughes and Cindy Lucas aided her with their strong defense. The hard work of the managers, Kathy Niblet and Carolyn Wilber should not go unappreciated.

The 1962 hockey team has earned well-deserved praise for their triumphs and an extra pat on the back for their fighting spirit and champion sportsmanship.

The leaving seniors, Nancy Phoebus, Judy Lasley, Jolene Simms, Cindy Lucas, Marsha Hughes, Dian Dudderar and Darlene Barlowe wish the best of luck to next year's team.

VARSITY BASKETBALL

Following a disappointing 1960-61 season, Wi-Hi came back strong to log a 13-6 record.

Key victories in this successful season were wins over Easton 38-37 and North Caroline 41-37. The latter game broke a thirteen-game win streak for previously undefeated North Carolina. Wi-Hi ended its season with a 49-41 win over Cambridge in a traditionally hard-fought Contest. Pointwise, the Indians outscored their opponents 869-758.

GIRLS' BASKETBALL

The Wi-Hi '62 basketball record shows an improvement over last year and a hopeful trend toward an even more successful season next year.

Twelve hard-played games were on the 1962 basketball roster. Four of these games ended in victory with scores of 21-14, 30-10, 33-16, and 40-34. Sportsmanship and team spirit were prominant features in all these games.

Beverly Smith showed outstanding skill and ability in her last year on the basketball team. Beverly scored 23 points in one game with Cambridge. Nancy and Sandi Rosencrance showed promise as next year's favored players.

Letters were given to the following seniors: Beverly Smith, Nancy Phoebus, and Dian Dudderar.

Gratitude is expressed by the 1962 team to Mrs. Sue Thomas for her abilities in coaching.

The graduating players leave best wishes for an undefeated season next year.

WRESTLING

The wrestling team, coached by Mr. Thomas Craige, completed a successful and energetic season in 1961. The record of four wins and four losses is better than it seems since this is only the fourth year that Wi-Hi has sponsored wrestling. A high point of the season was a fourth place finish in the Milford Invitational Meet in which the state's top teams wrestle.

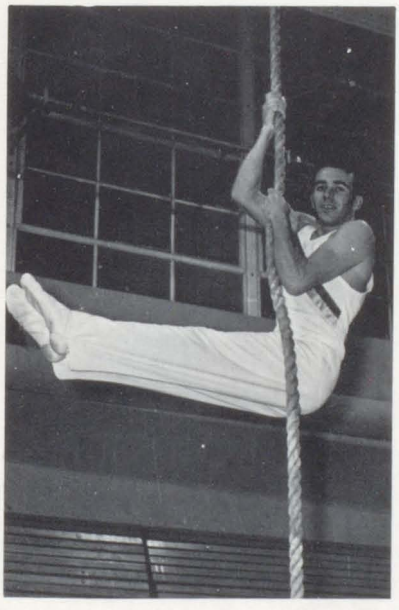
GYMNASTICS



Climbing the rope is quite a feat.

The 1961 Wi-Hi gymnastic team finished another very successful season with a record of 7 wins and no losses. This was the fourth consecutive year that Wi-Hi has gone undefeated and been named the county champ. Seniors, Newton Carey, Dick Dailey, Bruce Long, George Stigall, Phil Hall, Bill Bell, Harvey Massey, Wilmer Miller, Charlie Andrews, and David Jones leave, having done much to boost their team to victory.

A classic example of gymnastic ability.

TRACK

Jack Evans executes a skillful broad jump.

The 1961 Wi-Hi Track Team completed a successful and energetic season. The team won two out of three dual meets and placed well in the standings of three invitational meets. Since the team consisted of many juniors and sophomores, next year should be a great one for Wi-Hi's track team.

Seniors who leave the team are Craig Campbell, Don Sundue, George Stigall, Bill Moore, Jack Evans, and Owen Ashley.

TENNIS

The 1962 Wi-Hi tennis team had a very enthusiastic but unsuccessful season, finishing with a record of one win, three losses, and a tie. However, it must be remembered that Wi-Hi's opponents were some of the stronger teams in the state.

Departing Seniors on the team are Phil Elzey, Ricky Bertin, Derk Langeler, and Steve Feig.

SOFTBALL

The 1962 softball team missed a perfect season by only one game. Although they did lose the second Laurel game, the remainder of the games were victorious.

Notice should be given to leaving seniors who demonstrated skill and ability in all the games. It was their experience and knowledge which helped the team toward victory.

The 1962 softball team leaves a bright future and a fine record for next year's team.

Best wishes and thanks to the coach, managers, and team are expressed by seniors: Nancy Phoebus, Capt. Edna Malone, Jolene Simms, Mary Rose Wyatt, and Nancy Brewington.

The 1961 Wi-Hi Indians completed another successful baseball season with a fine 7-1 record. Playing well throughout the season, the team displayed great enthusiam and sportsmanship.

High points of the season were double victories over Salisbury High and Cambridge and the 7-4 win over Dover. The latter game knocked Dover from the ranks of the undefeated, ending a fourteen game winning streak.

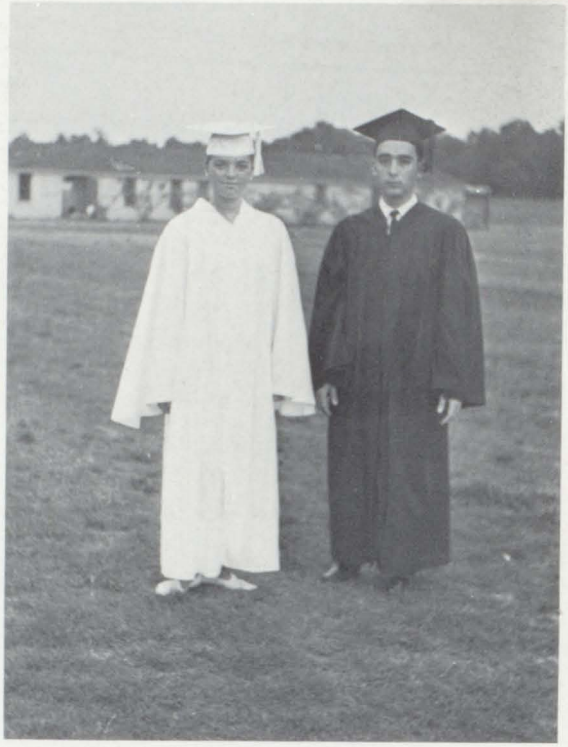
IN CONCLUSION



Thus ends our Senior Year. Many months of anxiety and anticipation, excitement and effort, interest and imagination, productivity and progress, trial and triumph culminate in a goal established twelve years ago--graduation.

This occasion marks the end and the beginning. No longer can we be referred to as an entity, "the Senior Class," for now we are three hundred and thirty-six individuals each with his own personal objectives in life. In the words of our class motto, "Give to the world the best you have and the best will come back to you," success or failure in the future depends entirely upon one person--YOU.

To attain our aspirations and contribute worthily to society, each of us will follow a different route. Some depart for foreign shores, some proceed to institutions of higher education, others assume their roles as responsible members of the community. Within a year, our fortunes will have summoned us to various parts of the country and the world. Even though we all will never be bodily assembled again as we were the evening of June seventh, our spirits will remain forever united as the Class of 1962.

Kennedy In Angry Mood Over Steel

WASHINGTON (AP) — For the first time in his administration President Kennedy is engaged in furious battle with a major segment of U.S. industry. He threw himself into the fight with a charge that big steel showed ruthless disregard of the public by raising prices.

Kennedy launched the attack Wednesday at a news conference in which he denounced U.S. Steel Corp. and fellow steel price hikers with the strongest language he has leveled at anyone or anything since becoming president.

His voice rising, his forefinger poking for emphasis, Kennedy said steel price boosters had displayed "utter contempt for the interests of 185 million Americans." He said their "pursuit of private power and profit exceeds their sense of public responsibility."

Reservists Due Home

Kennedy made important announcements at his meeting with newsmen.

Barring serious deterioration of the international situation, he said: The 142,500 Reservists and National Guardsmen called to active duty last year will be allowed to return home in August.

The government would seek a Taft-Hartley injunction to force an 80-day cooling off period in the West Coast shipping strike. It said the injunction a short time

Court Action Against Steel Also Possible

By STERLING F. GREEN

WASHINGTON (AP) — Angry Washington today whipped up two congressional investigations and a price-fixing probe as swift counterblows at the steel industry's price increase.

Court action against steel makers also was a possibility.

Spurred by President Kennedy's scathing assault on what he called the "utterly unjustifiable and irresponsible" act of a few handful of steel executives, the administration and Democratic legislators set out to:

1. Force a rollback, if possible, of the $6-a-ton boost posed Tuesday by U.S. Steel Corp., and adopted with scarcely 24 hours' consideration.

To Discourage Others

2. Discourage a similar price hike in aluminum, zinc or other commodities now that steel has opened the breach in Kennedy's program of voluntary stabilization.

3. Pave the way for possible legislation giving the government a stronger hand in the wage-setting and price-fixing processes.

4. Refuse if possible the confirmation of three of the nominations now before the Senate Commerce Committee by showing that the administration's business is demanding the same measure of management as it asked of em-
